Tony Attwood

is well known for sharing his extensive knowledge of Asperger Syndrome. He has a private practice in Brisbane and is an adjunct Professor at Griffith University in Queensland. Tony has written many papers and two best selling books on Asperger Syndrome. He also spends a large amount of time travelling nationally and internationally to present workshops and papers. His presentations are informative and empowering.

***"From my clinical experience I consider that children and adults with Asperger Syndrome have a different, not defective, way of thinking,"***

Tony Attwood

Sue Larkey

is a highly qualified special educator who has taught in mainstream and special schools. She is currently working toward a Doctorate of Education focussing on inclusive schooling. She has authored several books and resource materials. Sue is unashamedly passionate about her mission – to inspire parents and educators and teach them how to *Make it a Success*. Armed with the tools of understanding and confidence much can be achieved.

***"To know someone with Autism Spectrum Disorder is not to know Autism Spectrum Disorder",***

Sue Larkey
